

Central Valley Regional Water Quality Control Board

Sacramento Office

SITE CLEANUP LIST

Sorted by County and Address

Status Key

PA - Preliminary Assessment

RI - Remedial Investigation

Phase I RI - Phase One Remedial Investigation

Phase II RI - Phase Two Remedial Investigation

Unit Key

SL - Facility is a Spill or Leak site

DOD - Facility is a federal Department of Defense (DOD) site (usually a military installation)

DOE - Facility is a federal Department of Energy (DOE) site

FS - Feasibility Study

IRM - Interim Remedial Measure

REM - Remediation Underway

Closed - Remediation Completed

Helpful Notes

Sites without physical address will be listed under their description (Ex: Kelso & Mountainhouse Rds)

Sites on a Highway are listed under "Highway" not "Hwy"

N, S, E, W is North, South, East, and West

If a site is on "East Bidwell" it will be listed as "Bidwell E"

File & Report

Date listed corresponds to the date of latest correspondence (file) or report (report) regarding the site, received by the CVRWQCB or authored by the CVRWQCB, other state agency, or contractor. An "N" means "no", indicating this office has no material of this kind (correspondence or reports) for the site. An "A" means this is an active site, being overseen by CVRWQCB staff.

** Indicates there is correspondence in the temporary folder, but not enough to start a case file
